

17 August 1988

MEMORANDUM FOR: Chief, Policy and Plans Staff

25X1 FROM:

Chief, PTS Policy and Plans

SUBJECT: PTS Items for the DDA Weekly Log
11 August - 17 August 1988

✓ 1. During this reporting period, members of ISG assisted Office of Personnel, Central Travel Services, Travel Processing Branch (OP/CTS/TPB), with the production of a LAN security plan. This plan will be one of the first security plans developed to address the specific requirements of personal computer based Local Area Networks.

✓ 2. An ISG representative met with the Office of Current Production and Analytical Support (CPAS) representatives to discuss security requirements for the Electronic Dissemination System (EDS). EDS is being developed by CPAS to allow electronic transmission of finished intelligence (i.e., National Intelligence Daily) to the White House, State Department, and the Pentagon.

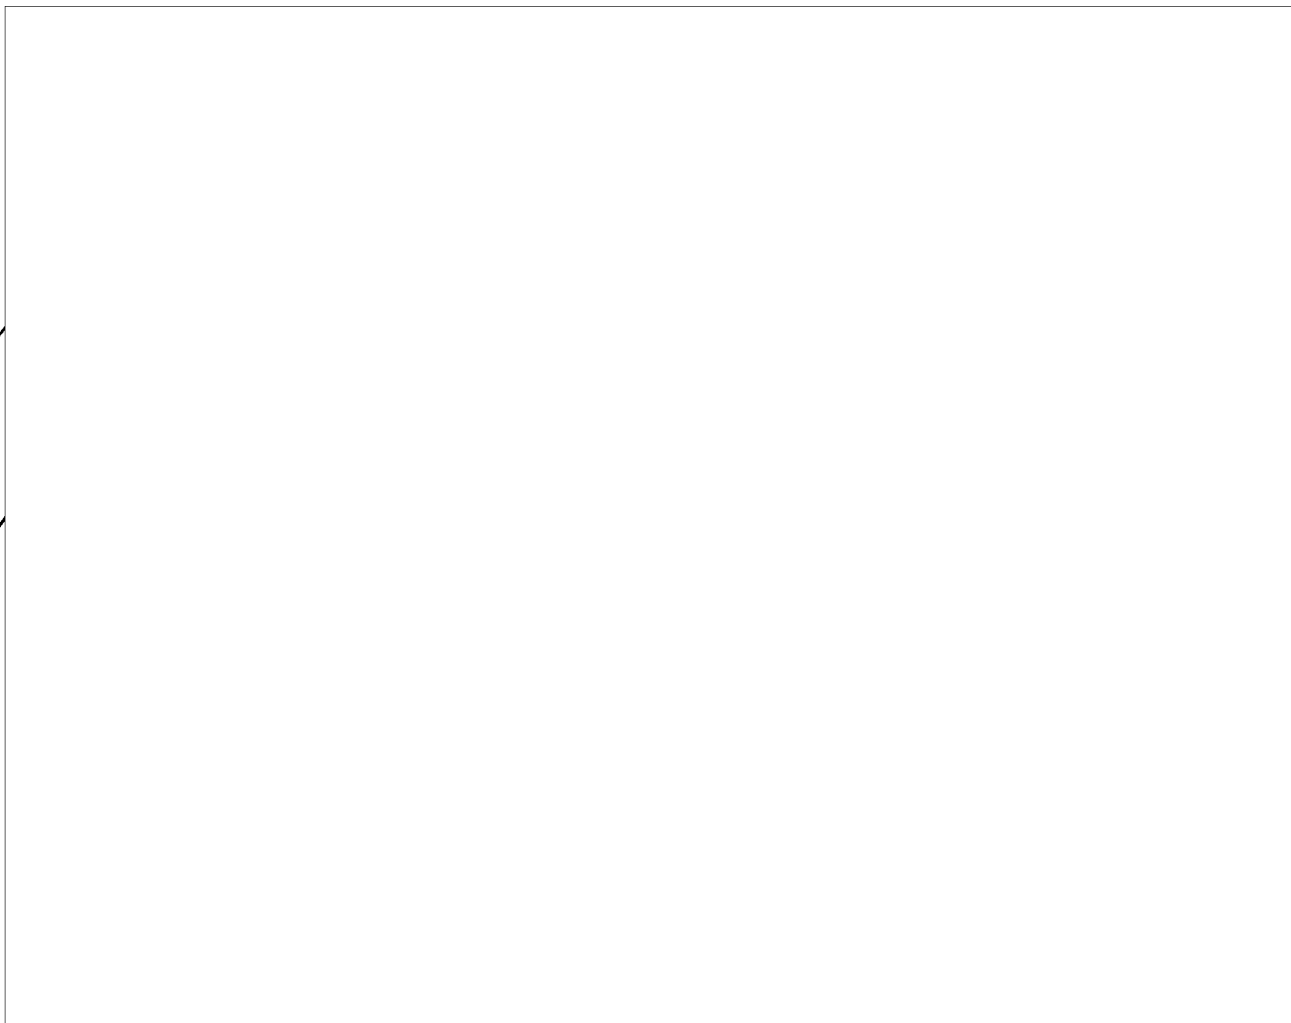

3. From 15-19 August the Industrial Branch (IB) conducted the second segment of their computer security course. The course covers Agency requirements for processing classified data on personal computers. Twenty-four industrial contractors attended.

25X1 5. ISG will be sponsoring a WANG Security Seminar on Sept. 1, 1988 [redacted] The all day seminar will address WANG's future trusted system technology. An invitation and agenda to the seminar has been sent to all Agency components which may be interested in information on secure information processing.

25X1 ALL PORTIONS CLASSIFIED SECRET

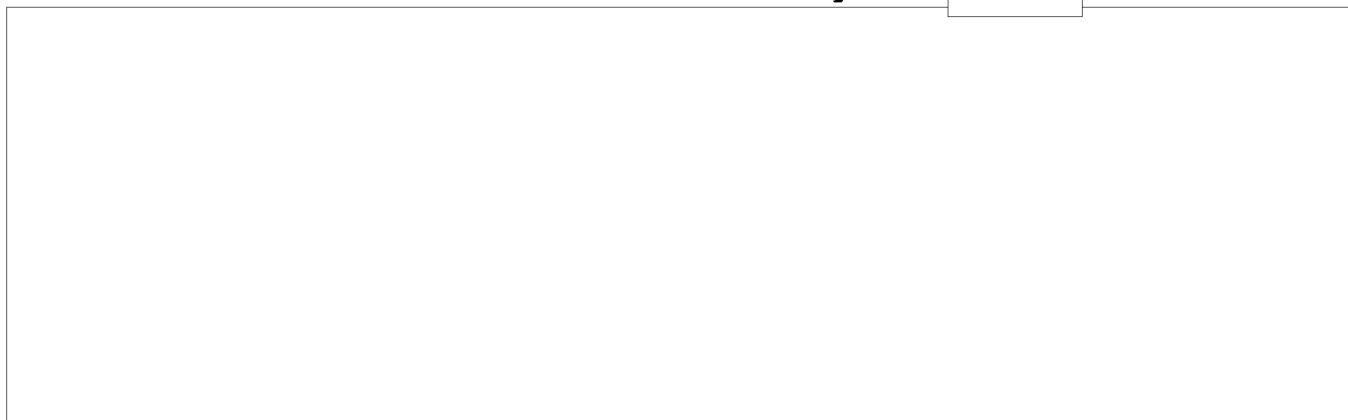

~~SECRET~~

25X1

10. Construction Security Management Branch personnel conducted a total of 107 security inspection of vacated offices affected by the Headquarters Backfill Project.
